*Do you enjoy diving or snorkeling? Care to understand the underwater world at the same time? Why not join us where you not only have 4 days of fun but also gain more knowledge of the reef at the same time?*

*Redang Marine Awareness 2009 does not only allow you to experience the thrill of diving and snorkeling, but also enriches your knowledge. Begin with snorkeling, fun diving, underwater games as well as underwater clean-up, come join the workshop and talks with our invited marine specialist. We promise that you will take with you not only unforgettable memories yet full loaded of knowledge of the marine world.*

*REMEMBER: The effective of understanding anything in a marine environment which is fragile and adversely affect our country economy, environment, security and safety.*
